

## Young Camden Foundation – Online Member Services

Many YCF members have made the difficult decision to close youth centres or postpone services due to the COVID-19 pandemic. However, online services can be an effective method of keeping engaged with children and young people in Camden. YCF invites you to check out online services and digital tools offered by YCF members. We will be adding to this list in real time, so please check back for regular updates.

Would you like to add or remove information? Please email YCF at [info@youngcamdenfoundation.org.uk](mailto:info@youngcamdenfoundation.org.uk). Thank you!
