Our team is professional, hard-working and great fun to work with. Each one of us is passionate about giving every child and young person the opportunity and support to make the most of their future, regardless of their background, and we apply the same principle to those who work at The Avenues.

The Avenues Youth Project in W10 was established in 1979. Our mission is to support young people who might not otherwise get the opportunity to flourish. We offer a range of activities from Judo, Homework Club, Lyric Writing and much more, tailored to the needs and ambitions of our young members. In addition, we run programmes during school holidays through the day and into the evenings. The Avenues Youth Project offers a vital resource for the local community, providing free opportunities in a safe, attractive environment for young people to develop educationally, socially and personally through an exciting and wide range of sport, creative arts and practical skills.
